FRIENDS OF THE THORNE BAY LIBRARY

June 16, 2015

City of Thorne Bay
P.O. Box 19110
Thorne Bay, AK 99919

Dear Wayne Benner:

The Friends of the Thorne Bay Library recently learned that it is possible for open WiFi to be available at the Thorne Bay Public Library. We are pleased that this is finally a possibility since we are currently the only library on Prince of Wales island that does not offer this service.

Currently we have many customers that bring their own devices to the library in hopes of accessing the internet. These customers include the Forest Service Seasonal workers who want to Skype with their mom's and cannot do so from the Forest Service computers, travelers who want to check in with home (many from the small tour boat that stops in Thorne Bay) as well as locals who want to download books from "Listen Alaska" the State Library program that has on line books.

The Friends understand that the City Council needs to make the decision to allow the WiFi to be available, so we respectfully request that the City of Thorne Bay make open WiFi available to the public at large at the Thorne Bay Library.

Sincerely,

Karen Petersen
Chair of the Friends of the Thorne Bay Library
