The purpose of a conditional use permit is to allow for flexibility in the zoning title by providing for uses that may be suitable in certain locations and not others. ***These uses will be expressly permitted conditional uses in the zone, clarified by a section labeled conditional use permits for each zone.*** It basically permits inclusion of uses that should not be permitted in every part of the zone, but are reasonable in some areas of the zone with restrictions and conditions designed to fit the particular problem that the use may present.
