

Project Facilitator Needed

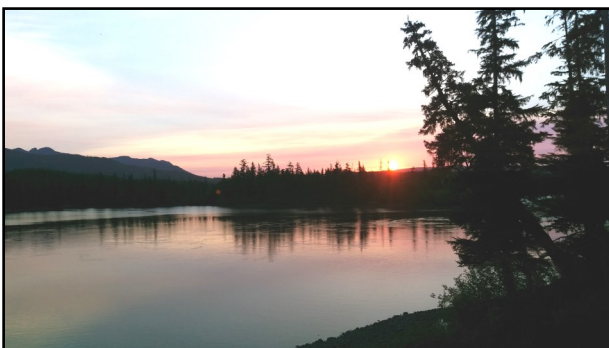

The POW Landscape Assessment Team is in need of a qualified facilitator to assist the team in its mission to develop landscape level assessment recommendations to the US Forest Service (USFS).

The facilitator will:

- Help prepare for meetings (minimum monthly)
- Provide decision-making facilitation
- Help ensure that all members' views are considered in crafting solutions
- Accurately record action taken by the team
- Compile team recommendations in a final report to the USFS. It is anticipated facilitation work will begin by late September or early October 2016 with the final report submitted to the USFS within a 24 month period.

Qualifications:

- ◇ Demonstrated experience facilitating long-term strategic planning including meetings and processes.
- ◇ Proven experience in working with community-led initiatives.
- ◇ Ability to organize and manage large amounts of complex data within tight deadlines.
- ◇ Strong presentation and facilitation skills.
- ◇ Strong writing skills to produce technical reports and communication materials for a variety of audiences.
- ◇ Familiarity with federal agency land-use policies and procedures.

Deadline for RFP submission is 3 PM September 9, 2016
