**Title 18
City Boat Harbor
Chapter 18.30
Rules for use of Harbor Facility**

18.30.020 Conduct in harbor facility-Rules generally. A. Vessel moorage within the harbor facility shall be for active or operational motor vessels or seaplanes only, unless specifically authorized by the harbormaster.

B. Vessels, when unattended, must be securely moored with adequate bow, stern and spring lines or tie-downs, as applicable.

C. Vessels moored in the harbor facility must, at all times, be completely seaworthy or air worthy, as applicable, and ready for immediate or emergency departure into local waters, and also may not be chained or locked to any float.

1. Harbor Master may request owner or agent of any vessel to start and move said vessel out one hundred yards and back under its own power.

2. Mechanical problems must be immediately reported to the Harbor Master.

3. Harbor Master may grant a 30 day grace period for repairs with additional grace period if needed, so long as progress toward repairs is being made.

F. All vessels entering the harbor facility must have a valid identifying name or number permanently affixed to the vessel and visible from the outside. Failure to have either shall be cause for refusal of moorage.

G. All berthing and moorage of vessels in the city boat harbor shall be in strict accordance with signs posted by the harbormaster.

H. The movement of vessels within the moorage areas shall be for the purpose of mooring and entering or leaving his area only. Vessel speeds within the harbor facility shall be slow enough so that no wake will be created by the movement of a vessel.

I. All vessels and vehicles will be parked, moored and maneuvered in a safe and orderly manner.

J. All children twelve years of age or younger shall wear a life vest at all times while on harbor facilities. (Ord. 97-22 § 3(part), 1997; Ord. 89-30 § 5(part), 1989)
