

# ALASKA DRIVING MAP

SIZE COMPARISON

Believe it or not, these are all the major highways in Alaska. Alaska is one-fifth the size of the Lower 48 states yet has less than 1/100th as much paved road.

Most rental vehicles are prohibited from traveling on unpaved sections of the Denali Highway, Taylor Highway, Copper River Highway, McCarthy Road, Petersburg Road, Elliott Highway, Dalton Highway, and Steese Highway.

Private vehicles restricted beyond here.

SUNRISE - SUNSET TIMES			
June 15	July 15		
August 15			
Anchorage	4:21a - 11:40p	4:51a - 11:08p	6:08a - 9:59p
