

# THORNE BAY EMERGENCY DEPARTMENT

## Volunteer Opportunities

Thorne Bay is looking for bright and enthusiastic people to volunteer with Thorne Bay Emergency Services Department (EMS/Fire). As a volunteer, you will have the opportunity to care for your fellow human beings and play an integral role devoted to saving lives.

While on duty, your primary responsibility will always be to provide emergency care, however there is no reason why you can't continue to go about your everyday activities and spend time with your family or work. Our only requirement is that you remain within the City limits and available to respond to a call immediately when needed. Hours are flexible so if your day job is not, we can work around that.

Contact us to find out more on what you can do to volunteer in your community and play a part in saving a life.

### We have volunteer openings for:

- Medical Responders
- Fire Responders
- Ambulance or Fire Truck Drivers
- 911 Dispatchers

The prerequisites for joining are that you enjoy teamwork, are responsible, are at least 18 years of age and in good mental and physical condition. With a one-year commitment from you, we will provide for all of the training that you need after you join.
