Purpose. The prohibition on city employment of councilmembers created a hardship in smaller communities where the city was an employer. In recognition of various hardships, the Alaska Legislature amended the Title 29, effective January 1, 1986, and stipulated in AS 29.20.620, "The governing body shall by ordinance provide a method of determining the salaries of elected officials...". An elected official may not receive compensation for service to the municipality in addition to the salary received as an elected official, unless otherwise

If the court finds that an action is void, the municipal body may discuss and act on the matter at another meeting held in compliance with this chapter. A court may hold that an action taken at a meeting held in violation of this section is void only if the court finds that, considering all of the circumstances, the public interest in compliance with this section outweighs the harm that would be caused to the public interest and to the public entity by voiding the action. Public Notice for competitive leasing shall be given as stated in Section 2.56.230 of the Thorne Bay Municipal Code. A Thirty-day notice shall be given by posting notice thereof in three public places and by publication in a newspaper of general circulation twice. The notice must contain the name of the applicant, a brief description of the land, its area and general location, proposed use, term, computed annual minimum rent, limitations if any, a declaration stating the particular method of disposal to be used and the time and place set for a hearing on the proposed lease. (Ord. 16-03-01-02)

2.56.240 LEASING LAND - NEGOTIATED OR COMPETITIVE

- A. **Negotiated leasing** may be conducted with a single prospective lessee or renter through the use of resolution.
- B. **Competitive leasing** may be conducted if determined by the city, though a non-code ordinance and competitive bidding requirements. (Ord. 16-03-01-02)

2.56.250 APPLICATIONS, FEES, TERMS, AND PAYMENTS FOR COMPETITIVE BIDDING.

Unless otherwise provided by the council in the ordinance or resolution authorizing the lease of specific lands, the following procedures shall be followed for competitive bidding:

- A. **Qualifications of applicants or bidders.** An applicant or bidder for a lease is qualified if the applicant or bidder:
1. Is eighteen years of age or over;
 2. Is a group, association, partnership or corporation which is authorized to conduct business in the State of Alaska; or
 3. Is acting as an agent for another meeting one of the above criteria and has qualified by filing with the administrator or his designee, prior to the time set for the disposition, a power of attorney or a letter of authorization creating such agency. The agent shall represent only one principal, to the exclusion of himself.
- B. **Applications for lease.** All applications for lease of lands shall be filed with the City Clerk on forms provided by the city. Only forms completed in full and accompanied by a one hundred dollar (\$100.00) nonrefundable filing fee will be required for filing. Applications that qualify as a public use as defined in 2.56.210 (B) may be exempted from the filing fee. With every application the applicant shall submit a development plan showing and stating:
1. The purpose of the proposed lease;
 2. The use, value and nature of improvements to be constructed;
 3. The type of construction;
 4. Dates construction is estimated to commence and be completed; and
 5. Whether the intended use complies with the zoning and the Thorne Bay land use code.
- C. **Deposits for Cost.** All applications filed with the city clerk will be forwarded to the administrator to determine estimated costs required to handle the application, including, but not limited to one or more of the following: survey, appraisal, and advertising of the proposed lease of the area under application. Upon determination of the estimated costs, the administrator shall notify the applicant in writing of such costs, and a deposit must be made within thirty calendar days after the notice is mailed. Failure of the applicant to pay the deposit shall result in the application being cancelled. If the applicant does not accept a lease within thirty-calendar days after it is offered to the applicant, all deposit money spent or encumbered for survey, appraisal or advertising shall be forfeited, and the balance, if any, shall be returned to the applicant. If the land applied for is leased to another, the latter shall be required to pay actual costs of survey, appraisal and advertising, and the original deposit shall be returned to the depositor. The lessee shall be required to pay any

excess of costs over deposits, and where the deposit exceeds actual costs, the excess shall be credited to present or future rents under the lease. All survey, appraisal and advertising shall be performed only under the control of the city, and any such work done without such control will not be accepted by the city. Those applications defined as a public use in 2.56.210 may be exempted from the requirements of this subsection. (Ord. 16-03-01-02)

2.56.260 COMPETITIVE BIDDING -- APPEALS.

- A. **Where competitive bidding is used**, the city may either require written sealed bids stating the annual rental amount offered or hold an auction on the rent amount. Only applicants who have completed the application requirements to the city's satisfaction (including submittal of a development plan and the deposits for cost) shall be qualified to bid. The City may base its award of lease on a combination of factors (including the development plan and the extent to which the proposed project will meet community needs) rather than solely upon rental amount bid. The city reserves the right to reject all bids and return the deposits to the applicants.
- B. **Appeal.** In cases involving competitive bidding, an aggrieved bidder may appeal the determination of the winning bid to the council with five days (excluding Saturday and Sunday) following such determination. Such appeals must be in writing, signed and notarized and contain a complete statement of the grounds for appeal. The council shall within thirty days after receipt of a timely appeal review the asserted grounds for appeal and rule on the appeal. The council's decision shall be final.
- C. **Lease to Successful Bidder.** Following the appeal period or the council's ruling, the city administrator shall notify the successful bidder that the city is prepared to issue the lease. The bidder shall be given thirty calendar days from date of mailing the notice in which to remit to the city clerk any bid balance. Failure to do so shall result in forfeiture of any and all rights previously acquired in the proposed lease, and in addition, any monies paid or deposited with the city shall be forfeited.
- D. **Issuance of Lease.** After expiration of the appeal period, or after the ruling on the appeal to the council, the administrator shall cause a lease to be issued and executed containing such terms as the council shall have established. (Ord. 16-03-01-02)

2.56.270 NEGOTIATED LEASES.

The city administrator may commence negotiations with a single prospective lessee for the lease of city land. The final terms of a negotiated lease are subject to approval by the council through a resolution for short term lease and non-code ordinance for a long-term lease. The negotiated lease may not be executed until the effective date of the ordinance or resolution. (Ord. 16-03-01-02)

2.56.280 RIGHTS PRIOR TO LEASING.

- A. The filing of an application for a short or long-term lease shall give the applicant no right to a lease nor to the use of the land applied for.
- B. Any use of city-owned property not authorized by a short or long-term lease shall constitute a trespass against the city.

2.56.320 TERMS AND CONDITIONS OF LONG-TERM LEASES AND SHORT-TERM LEASES (RENTAL AGREEMENTS).

In addition to other applicable provisions of this code, the terms, conditions and covenants following as subsections

- A. (A) through (W) of this section shall govern all long term leases and may govern short term leases (rental agreements) made under the provisions of this chapter and shall be as a matter of law incorporated in all such leases of land made, or issued by the city unless the council by resolution provides otherwise as to a specific lease, and are incorporated as though set out in full in the lease. Each lease shall contain such additional provisions as the council deems necessary to protect the public interest. Violation by the lessee of any duty of lessee's contained in subsections A through V shall be grounds for the city's termination of the lease, if, following written notice to lessee of lessee's breach, lessee has not in thirty days entirely remedied the breach to the city's satisfaction. All long term and short-term leases shall be reviewed every five years throughout the life of all leases. Additions, modifications, adjustments or changes may be made to all leases at the time of review.
- B. **Lease Utilization.** Leased lands shall be utilized only for purposes within the scope of the applicable land use classification or zoning and the terms of the lease, and in conformity with the ordinances of the city, Federal and State Laws and Regulations. Utilization or development for other than the allowed uses shall constitute a violation of the lease and subject the lease to termination or cancellation by the city at any time.

- C. **Adjustment of Rent for long term or short-term leases.** The annual rent payable pursuant to any lease becomes subject to adjustment by the council on the fifth anniversary of the date of the lease and at each five-year interval thereafter unless specified otherwise in the lease. The process upon which rents may be adjusted by the City Council will be determined prior to finalizing any lease.
- D. **Subleasing.** The lessee may sublease lands, or any part thereof leased to him hereunder, provided that the lessee obtains the approval of the council to such sublease. Leases not having improvements thereon shall not be sublet. Subleases shall be in writing, and subject to the terms and conditions of the original lease and such further terms and conditions, as the council may deem proper including adjustments to rents and conditions. A copy of the sublease shall be filed with the city administrator.
- E. **Assignments.** The lessee shall not assign the lease without prior approval of the City Council, which may impose terms and conditions on the assignment. The assignee shall be subject to all of the provisions of the original lease, and the assignor shall not be relieved of his obligations there under. A copy of any assignment shall be filed with the city administrator. The City Council will not approve an assignment to an LLC unless all the members of the LLC sign a personal guarantee for performance of the lease terms and conditions.
- F. **Modification.** Any modification or amendment of a lease shall be in writing, signed by both the city and the lessee. Modification of any lease does not require authorization by ordinance or resolution where the lease was negotiated with a single prospective lessee.
- G. **Cancellation and Forfeiture.**
1. Leases in good standing may be cancelled in whole, or in part, at any time, upon mutual written agreement by lessee and the council. Any lease may, at the council's option, include a term providing that the lease may be terminated by the lessee upon ninety days' notice in writing to the city before the end of an annual rental period unless stated otherwise in the lease.
 2. If the lessee defaults in the performance or observance of any of the lease terms, covenants or stipulations, or any applicable term of this chapter, or any portion of the city code as applied to the property in question, the lessee is automatically in default on the lease by operation of law. Incurring debt with the City shall not constitute a default. If such default continues for thirty calendar days after service upon lessee of written notice of default by the city without remedy of lessee of the default, the council shall take such action as is necessary to protect the rights and best interests of

the city, including the exercise of any or all rights after default permitted by the lease. Lessee shall not remove any improvements during the time the lessee is in default.

3. The city may terminate or cancel the lease if the land is used for any unlawful purpose.
4. Failure to make substantial use of the land, consistent with the proposed use, within one year shall with the approval of the council constitute grounds for termination or cancellation. This time period may be extended by the council by resolution or by council authorization to the administrator.

H. Site contamination Prohibited-Environmental Compliance Required.

1. Any violation, at the site of the leased land, by lessee, or by a third-party present upon the land with lessee's permission, of an environmental statute or regulation of the city, state or federal governments shall be grounds for immediate termination of the lease by the city, at the city's sole discretion. By entering into the lease, the lessee agrees not to make any claim for monetary damages against the city for lease termination or cancellation pursuant to this subsection.
2. The lessee shall at all times manage lessee's activities upon the leased lands, and the activities of third parties present with lessee's permission, so as to positively prevent any and all contamination of the site which would violate any Federal or State statute or regulation, which could subject the city to an enforcement action or any administrative proceeding by a state or federal agency, or which could subject the city to statutory or common law liability, diminish the value of the land, or cause city expenditures for response costs or remediation costs caused by a hazardous substances release, discharge, or spill. The City shall have the right to inspect or otherwise enter on to the leased premises during the term of the lease to assure lessee's compliance with federal and State Environmental Laws and Regulations.
3. By entering into the lease, the lessee agrees to defend and indemnify the city from and against any and all claims of any kind and any nature, including death, by third parties (including governmental entities and industry pollution-based claims) brought against city arising out of or relating to in any way the use of the leased premises by the lessee or anyone on the leased premises by invitation or authorization of the lessee. This obligation to defend and indemnify the City shall extend beyond the term of the lease to any claim or action occurring during the term of the lease.
4. By entering into the lease, the lessee agrees to reimburse the city for any and all expenses reasonably incurred by the city (including any response, remediation or site

cleanup costs) because of activities on the land during the period of lessee's lease, including the City's attorney's fees.

- I. **Rights of Mortgagee or Lien holder.** In the event of cancellation or forfeiture of a lease for cause, the holder of a properly recorded mortgage of the improvements on the land shall be given a duplicate copy of any notice of default in the same manner as notice is given the lessee, provided such mortgagee has given the city clerk notice of such mortgage and the mortgagee's address.
- J. **Payment of Annual Rentals.** Unless otherwise provided by the council by ordinance or resolution, all rent, and lease payments shall be due and payable on the first of the month. Payments not made by the 10th of the month shall be considered delinquent.
- K. **Entry and Re-entry.** In the event the lease is terminated, or in the event that the demised lands, or any part thereof, are abandoned by the lessee during the term,
 1. The city or its agent or representative may, immediately or any time thereafter, reenter and resume possession of such lands or such part thereof and remove all persons and property there from either by summary proceedings or by a suitable action or proceeding at law without being liable for any damages, therefore. No reentry by the city shall be deemed an acceptance of a surrender of the lease.
- L. **Re-Lease.** In the event that a lease is terminated, the city council may offer the lands for lease or other appropriate disposal pursuant to the provisions of this Chapter.
- M. **Forfeiture of Rental.** In the event that the lessee terminates the lease because of any breach, the rental payment last made by the lessee shall be forfeited and retained by the city.
- N. **Written Waiver.** The receipt of rent by the city with knowledge of any breach of the lease by the lessee, or of any default on the part of the lessee in observance or performance of any of the conditions or covenants of the lease, shall not be deemed to be a waiver of any provision of the lease. No failure on the part of the city to enforce any covenant or provision of the lease, nor any waiver of any right thereunder by the city unless in writing, shall discharge or invalidate such covenants or provisions or affect the right of the city to enforce the same in the event of any subsequent breach or default. The receipt by the city of any other sum of money after the termination in any manner, of the term demised, or after the giving by the city of any notice thereunder to effect such termination, shall not reinstate, continue or extend the resultant term therein demised, or destroy, or in any manner impair the efficiency of any such notice or termination as may have been given thereunder by the city to the lessee prior to the receipt of any such sum of money or other consideration, unless so agreed to in writing and signed by the city administrator.

- O. **Expiration of Lease.** Unless the lease is renewed or sooner terminated, as provided herein, the lessee shall peaceably and quietly leave, surrender and yield up unto the Lessor all of the leased land on the last day of the term of the lease.
- P. **Renewal of Lease.**
- i. Upon the expiration of the term of any lease, or the cancellation of a lease by mutual consent of all parties, thereto, the council may grant a new lease to the lessee or his assignee who owns valuable improvements thereon, provided:
 - ii. The lessee or his assignee makes written application at least ninety days prior to such termination;
 - iii. The lessee is not in default under the lease;
 - iv. The use to which the land is to be put is compatible with the current use classification (or with such new classification as the council may adopt effective at the end of the current lease term) or with the applicable zoning provisions;
 - v. The lessee's improvements on the leased land are in compliance with applicable building codes, fire and safety codes;
 - vi. The lessee has complied with all requirements of the lease, particularly including the provisions of subsection G of this section, and there are no outstanding and unresolved environmental enforcement actions or proceedings or notice of violation pertaining to the leased premises;
 - vii. The lessee is current in all monetary obligations to the city, including property taxes, sales taxes, utility bills, and rents for any other lands leased from the city; and
 - viii. Mutually agreeable terms, consistent with the provisions of this chapter governing lease terms, are negotiated by the city and the prospective lessee.
 1. Such lease shall be for an annual rent equal to the value of the land which is then being charged for new leases or a consideration is determined by the council to be in the best interest of the city and shall be subject to adjustment on every fifth anniversary.
 2. Any renewal preference granted the lessee is a privilege and is neither a right nor bargained for consideration.
- Q. **Removal or Reversion of Improvements upon Termination of Lease.** Improvements owned by a lessee may within thirty calendar days after the termination of the lease be removed by the lessee, provided, such removal will not cause injury or damage to the lands or improvements of the City; and further provided that the city council may extend the time for removing such improvements in cases where actual hardship is Established to the satisfaction of the City Council. All periods of time granted the lessee to remove improvements, are subject to the lessee paying to the city pro rata lease rentals for such periods. If any improvements and/or personal property are not removed within the time

allowed such improvements and/or personal property shall revert to, and absolute title shall vest in, the city, without further notice to the lessee.

- R. **Inspection.** The lessee shall allow an authorized representative of the city to enter the leased land at any reasonable time for the purposes of inspecting the land and improvements thereon. Upon the city's request, the lessee shall permit an authorized representative of the Alaska Department of Environmental Conservation (ADEC) to make an environmental audit of the leased premises. Notwithstanding any confidentiality provisions in federal or state law, by entering into the lease, the lessee agrees that the results of any environmental audit of the premises made by or at the order of any state or federal agency shall be made available to the city as landowner.
- S. **Use of Material.** All coal, oil, gas and other minerals, and all deposits of stone, earth or gravel valuable for extraction or utilization, are reserved by the city and shall not be removed from the land except with written permission of the council. The lessee shall not sell or remove for use elsewhere any timber, stone, gravel, peat moss, topsoil, or any other material valuable for building or commercial purposes; provided, however, that material required for the development of the leasehold may be used, if its use is first approved by the council in writing.
- T. **Rights-of-way.** The lessor expressly reserves the right to grant easements or right-of-way across leased land if it is determined in the best interest of the city to do so. If the lessor grants an easement or right-of-way across any of the leased land, the lessee shall be entitled to damages for all lessee-owned improvements destroyed or damaged. Damages shall be limited to improvements only and loss shall be determined by fair market value. Annual rentals may be adjusted to compensate the lessee for the loss of uses.
- U. **Warranty.** The city does not warrant by its zoning, classification or leasing of land that the land is ideally suited for the use authorized under the zoning, classification or lease, and no guaranty is given or implied that it will be profitable to employ the land for any use.
- V. **Notice or Demand.** Any notice or demand, which under the terms of a lease or under any statute must be given or made by the parties shall be in writing and be given or made by registered or certified mail, addressed to the other party at the address of record. However, either party may designate in writing such new or other address to which such notice or demand shall thereafter be so given, made or mailed. A notice given hereunder shall be deemed delivered when deposited in the U.S. mails enclosed in a registered or certified mail prepaid envelope addressed as herein provided. Email shall not constitute proper notice under this section.

W. **Additional Lease Terms.** Any lease shall contain such additional limitations, reservations, requirements or special conditions as the council may determine to protect the city's interest, including (without limitation) requirements (a) for improvements of a specified kind and value to be constructed or located on the land by the lessee within a specified time period, (b) for the lessee to complete the improvements set forth in the development plan submitted with the lease application within a specified time period, or (c) requirements that the lessee defend and indemnify the city against the third party claims for personal injury or property damage arising from lessee's occupancy of or use of the land, and provide liability insurance in an amount determined by the city and requiring that the city be named as an additional insured.

The contract shall be awarded with reasonable promptness by written notice to the lowest responsible and responsive bidder whose bid meets the criteria set forth in the invitation to bid. In determining whether a bidder is responsible the city may consider:

1. The qualifications, ability, capacity and skill of the bidder to perform the contract;
2. The availability of the bidder to perform the contract within the time specified, without delay or interference;
3. The character, integrity, reputation, judgment, experience and efficiency of the bidder;
4. The quality of performance by the bidder of previous contracts;

J. When the award is made to other than the lowest bidder, a full and complete written statement of the reasons therefor shall be mailed or delivered to the unsuccessful low bidder and filed with the other documents relating to the procurement.

- G. Multi-step bidding. When it is considered impractical to initially prepare a purchase description to support an award based on price, an invitation for bids may be issued requesting the submission of unpriced offers to be followed by an invitation for bids limited to those bidders whose offers have been qualified under the criteria set forth in the first solicitation.
- H. Except where prohibited by state or federal grant requirements, a local bidder, as defined in section 3.12.020, may be given consideration as low bidder where the offer is the lesser of ten percent or fifty thousand dollars in excess of the lowest offer received from a bidder not qualified as a local bidder. The city may split the award between two or more suppliers in any manner the city deems to be in its best interest.
- I. Procurement of, or contract for, supplies, materials, equipment, contractual services, or capital projects that could be subject to potential future grant reimbursements may be restricted to the procurement requirements of such grants as understood at the time of procurement. (Ord. 22-02-01-01; Prior Ord. 85-01-17-02 § 11, 1985)

The city may determine in writing that it is either impracticable or disadvantageous for the city to procure specified types of supplies or contractual services by competitive sealed bidding that would otherwise be procured by that method. When the city determines in writing that the use of competitive sealed bidding is either impracticable or disadvantageous to the city, a contract may be entered into by competitive sealed proposals in accordance with this section. The city shall specify with particularity the basis for the determination.
- C. A request for proposals must contain the essential information necessary for an offeror to submit a proposal including a time, place and date by which the proposal must be received or contain references to any information that cannot reasonably be included with the request. A register of proposals containing the name and address of each offeror shall be prepared in accordance with policies adopted by the procurement agent. To the extent that the offeror designates and the city administrator

concur, trade secrets and other proprietary data contained in the proposal documents shall be confidential.

- F. Discussion with responsible offerors and revisions to proposals. As provided in the request for proposals, and under policies adopted by the city, discussions may be conducted with responsible offerors who submit proposals determined to be reasonably susceptible of being selected for award for the purpose of clarification to assure full understanding of and responsiveness to the solicitation requirements. Offerors reasonably susceptible of being selected for award shall be accorded fair and equal treatment with respect to any opportunity for discussion and revision of proposals, and revisions may be permitted after submissions and before the award of the contract for the purpose of obtaining best and final offers. In conducting discussions, the city shall not disclose information derived from proposals submitted by competing offerors.

3.18.030 TAX IMPOSED.

For the privilege of occupancy in any hotel, each transient is subject to and shall pay a tax in the amount of four percent, in addition to city sales tax, of rent charged by the operator for the privilege of said occupancy. If the bed rent is considered to be part of a package price, then it is up to the hotel to determine the value of their bed, which is not to be less than 1) the current rate of United States Government per diem, or 2) bed rent as advertised or collected separately in non-package transactions; whichever is greater. Said tax constitutes a debt owed by the transient to the city which is extinguished only by payment to the operator or to the city. The transient shall pay the tax to the operator of the hotel at the time such transient ceases to occupy space in the hotel; provided, however, if the rent is paid in installments, a proportionate share of the tax shall be paid with each installment, and the remaining unpaid tax shall be due upon the transient's ceasing to occupy space in the hotel. If for any reason the tax due is not paid to the operator of the hotel, the revenue collector may require that such tax shall be paid by the transient directly to the revenue collector or may collect such tax directly from the operator.

3.18.040 EXEMPTIONS.

No tax shall be imposed where:

- A. The rent is at the rate of three dollars a day or less. The exemption in this subsection applies only where the total rent charged for a room is three dollars a day or less, or where the accommodations rented are in a dormitory and the rent for each transient is three dollars a day or less;
- B. Any person pays for lodging on a monthly basis with a legal signed lease or rental agreement, irrespective of the number of days in the month;
- C. Any person who rents a private single-family dwelling unit, vacation cabin or like facility from any owner who rents the structure or facility incidental to his own use thereof and on a casual and isolated basis not done in the regular course of business;
- D. The gross receipts are derived from rentals of hotel rooms, bed and breakfast or other transient occupancy to the United States government, the State of Alaska, or a municipality, when payment is made by such governmental organization directly to the provider by purchase order or by other means of direct payment. The revenue collector may require such verification of direct payment to the provider by the governmental organization as deemed necessary.

3.18.050 OPERATOR'S DUTIES.

Each operator shall collect the tax imposed by this chapter to the same extent and at the time as the rent and sales tax is collected from every transient. If the operator fails to collect the tax imposed by this chapter for any reason, the operator shall be liable for the tax jointly and severally with the transient. The amount of tax shall be separately stated from the amount of the rent charged, and each transient shall receive a receipt for payment from the operator. A duplicate of this receipt shall be kept by the operator in accordance with section 3.18.090. No operator of a hotel shall advertise or state in any manner, whether directly or indirectly, that the tax rent, or that, if added, any part will be refunded. Each operator shall account separately and maintain separate monthly summary totals, for both taxable and nontaxable rents and for taxes collected. Taxable rents are those defined in section 3.18.020.

3.18.060 REGISTRATION.

Within thirty days after the effective date of this chapter, or within thirty days after commencing business, whichever is later, each operator of any hotel renting occupancy to transients shall register said hotel with the revenue collector.

3.18.070 TAX TO BE PAID QUARTERLY.

The tax levied under this chapter shall be due and payable quarterly in conjunction with city sales tax. Each operator shall make and file with the revenue collector on forms prescribed and furnished by the revenue collector, a return, prepared under oath, setting forth the amount of all rents charged, whether exempt or not, and the amount of tax collected for transient occupancy and such other information as the revenue collector may require on such forms. The completed and executed return, together with remittance in full for the total amount of the tax due, shall be transmitted to the revenue collector on or before the last day of the calendar month following the close of each calendar quarter.

- A. Each operator shall file a return even though no tax may be due. This return shall show why no tax is allegedly due, or, if the business has been sold or otherwise transferred, the person to whom it was transferred, the date it was transferred, and the address and telephone number of the person to whom it was transferred.
- B. Each operator, upon cessation of business, shall, on or before the same day of the next month following cessation of business, or on the last day of the month if no corresponding day exists, make a return to the revenue collector on forms provided by him of the total rents charged and the amount of tax collected or due for transient occupancies, and shall, upon request, make his books and records available for audit. At the time the return is filed, the full amount of the tax collected or due shall be remitted to the revenue collector. Returns filed and taxes remitted and actually received by the revenue collector on or before the same day of the next month following the cessation of business, or on the last day of the month if no corresponding day exists, shall be deemed timely filed and remitted; otherwise, the taxes are delinquent and subject to the penalties imposed by Section 3.18.080.
- C. Returns filed and taxes remitted by mail shall be deemed timely filed only if the envelope or similar container enclosing the returns and taxes is addressed to the revenue collector, has sufficient postage and bears a United States postmark prior to midnight on the last day for reporting and remitting without penalty; otherwise, the taxes are delinquent and subject to the penalties imposed by Section 3.18.080.
- D. The revenue collector may establish shorter reporting periods for any operator if deemed necessary in order to ensure collection of the tax and may also require further and additional information in the return. All taxes collected by the operator pursuant to this chapter shall be held in trust for the account of the city until payment thereof is made to the revenue collector.
- E. Returns shall be accompanied by proof, satisfactory to the revenue collector, as to claimed exemptions, or exceptions from the tax herein imposed. The burden of establishing any tax exemption is upon the claimant. In the absence of such proof, the rentals or occupancies shall be deemed to have been taxable.

3.18.080 PENALTY AND INTEREST ON DELINQUENT TAXES.

- A. Original Delinquency. In the event an operator fails or neglects to file a return when due, or fails to remit taxes collected by him, or which should have been collected by him, in a timely manner as required by this chapter, then such return and tax is delinquent, and the revenue collector shall add thereto penalties as follows:

IF PAYMENT MADE: ADDITIONAL PENALTY

1. Within 30 days after delinquency date 15% of tax
 2. Within 60 days after delinquency date 20% of tax
 3. More than 60 days after delinquency date 25% of tax
- B. Interest. Interest on delinquent taxes shall accrue from the date of delinquency to the date of payment at the rate of one-half of one percent per month. All remedies available to the revenue collector to collect taxes, penalties, and interest plus collection costs, shall commence thirty days after the date of delinquency.
- C. Audit Deficiency. If, upon audit, an operator is found to be deficient in his return or his remittance or both, the amount deficient shall be deemed a delinquency under subsection (a) of this section and the revenue collector shall immediately invoice the operator for the amount of the net deficiency, plus a penalty as provided in subsection (a) of this section computed from the date the amount should have been paid, plus accrued interest. Interest shall be deemed to have commenced to accrue at the rate provided in subsection (a) from the date such tax should have been paid.

- C. If delinquent occupancy taxes, including interest and penalties, are not paid within ten days from the mailing of notice and demand for payment thereof, a notice of lien may be recorded in the office of the district recorder. Upon recordation, the occupancy tax lien has priority over all other liens except;
1. Liens for property taxes and special assessments;

The city administrator is authorized to make arrangements with the Ketchikan Gateway Borough, authorizing the borough to collect the taxes and conduct the investigations and hearings provided herein, and to exercise all the powers created in this chapter.
- C. In the event the revenue collector is unable to ascertain the tax due to be remitted by an operator by reason of the failure of the operator to keep accurate books, allow

inspection, failure to file a return, falsification of records, or for any other reason, the revenue collector may make an estimate of the tax due based upon all of the information available. Notice of the estimate of taxes due and penalties and interest shall be furnished by certified mail to the operator and said amount of tax shall become final for the purposes of determining liability of the operator to the city upon the expiration of thirty days unless the operator supported by satisfactory earlier files and accurate return, supported by satisfactory records, indicating a lesser liability.

17.04.045 VARIANCE PROCEDURE.

A variance is a tool that gives an applicant relief from the strict application of the zoning title. It will permit a justifiable exemption or exception to the development requirements of the title when their imposition would result in unnecessary hardship or practical difficulties.

Zoning limits the use of property and structures. A variance can lessen some of the limits that zoning imposes. To be granted a variance, the applicant must show how the zoning title impedes development on his/her property more than it would on other property within the same zone. In other words, the applicant is responsible for showing how the strict application of the zoning title will hurt him/her more than other landowners within the same zone. The applicant must meet with the planning official and address the “Criteria for Consideration in Establishing Approval” prior to being scheduled for a hearing.

A. Criteria for Consideration in Establishing Approval or Denial the following criteria must be considered.

After a public hearing, the planning commission must develop a resolution which addresses each of the criteria and base their decision on whether the criteria are in the affirmative or not:

1. That there are exceptional physical conditions or circumstances on the property or that would relate to its intended use or development that make the variance necessary;
2. That the particular conditions or reasons that require the variance are not caused by the person requesting the variance;
3. That the strict application of the provisions of this title would result in unnecessary hardship;
4. That approval of the variance would not be detrimental to the health, safety and welfare of other properties in the vicinity;
5. That the variance will not allow a land use in a zone that prohibits that particular land use;
6. That approval of the variance is consistent with the comprehensive plan;
7. That the variance is not requested because of monetary considerations or inconvenience.
8. That the variance request is for work yet to be performed.

3. Notices shall be sent to the most current address on the city's utility listing or city records, and if no address can be found, the most current property owner listed in the State Recording office. Chapter 18.40 - CONTROL OF NUISANCE AND DERELICT BOATS

18.40.010 DERELICT, NUISANCE, UNSEAWORTHY, WRECKED AND SUNKEN VESSELS

No person may bring into or keep within the small boat harbor facilities or property a vessel that is derelict or a nuisance, or in the opinion of the harbormaster, is so unseaworthy or in such a deteriorated condition that it may sink, become a hazard to navigation, or damage docks, floats, or other vessels, except as required in an emergency, but only for so long as required by the emergency.

- A. If the harbormaster determines that the derelict condition of a vessel constitutes a fire or safety hazard to harbor facilities or other vessels, or a pollutant hazard to the waters and marine life of the harbor, and that damage from such fire, safety, or pollutant hazard will more likely than not occur within the notice period required under this subsection, the harbormaster may take reasonable steps to prevent damage from the fire, safety, or pollutant hazard without prior notice or hearing, including without limitation impounding the vessel by immobilizing the vessel or by hauling the vessel out of the water and storing it, with all expenses and risks of the haul-out and storage to be borne by the owner of the vessel. The City of Thorne Bay shall not be held liable for any damages resulting from the haul-out or storage of any impounded vessel. Promptly after impounding a vessel under this subsection, the harbormaster shall give notice of the impoundment in accordance with 18.40.020 subsection (a). (Ord. 10-07-06-02)

18.40.020 ABATEMENT OF NUISANCE-IMPOUNDMENT-REMOVAL AND SALE.

- A. In the event any boat constitutes a nuisance or is a derelict, as defined, liable to sinking, sunk, or in a hazardous condition, notice thereof shall be given to the owner, master, or agent of the boat as shown on the registration statement filed with the harbormaster, stating that unless said boat is removed, repaired, or that other action is taken to remedy such nuisance, the boat will be subject to destruction or sale, in the discretion of the harbor commission, upon the expiration of a period of fourteen days from the receipt of such notice. (Ord. 12-05-01-01)
- B. In the event any mooring fees are not paid within approximately thirty days after the same are due, the boat for which the fees are in arrears shall be considered abandoned and a nuisance. In the event any boat is abandoned or declared to be a nuisance by reason of the failure to timely pay such fees, notice thereof will be given to the owner, master or agent of the boat as shown on the registration statement, and said notice shall state that unless such fees are paid within thirty days after the service of the notice, said boat shall be subject to removal, impoundment, destruction or sale in the discretion of the harbor commission because the boat has been declared to be a nuisance.
- C. Notices provided for in chapter 18 shall be given by the city clerk by a method which assures a signed receipt therefore (certified mail return receipt requested, or personal delivery with a signed receipt obtained for the city's records); notice shall be given to such owner, master or agent, as well as (for documented vessels) each recorded holder of a mortgage interest in the vessel. The notice shall be in writing, signed by the city clerk and dated, and shall inform the recipient of his right to a hearing before the harbor commission no later than fourteen days from receipt of the notice, as well as informing the notice recipient of the potential consequences (set forth in subsections A and B of this section) for failure to appear. (Ord. 90-28 § 4(part), 1990: Ord. 89-30 § 5(part), 1989)

18.40.030 PROCEDURE FOR DESTRUCTION, SALE OR OTHER DISPOSITION OF BOAT.

- A. Any boat which is declared a nuisance may, after the expiration of the time stated in the notice delivered to the owner, master or agent, either be impounded in the waters of the Thorne Bay Boat Harbor or removed there from to a place of safe storage in the vicinity thereof and impounded at such location. A notice of impoundment signed by the harbormaster to be posted on or in said boat at a place where likely to be seen by anyone inspecting said boat. During the period of impoundment or storage by the harbormaster, the boat, its owner, master or agent shall be liable for a monthly storage charge and costs incurred by reason of the impounding or removal of the boat. An impoundment fee shall also be charged. Storage and impoundment fees shall be in accordance with pre-established amounts set by resolution of the city council.
- B. After any boat is so impounded or removed, the city clerk shall again give written notice (by a method assuring return receipt) that the boat has been impounded, that the notice recipient has opportunity for a hearing before the harbor commission no later than fourteen days following receipt of notice, and that after the expiration of that period the boat may be destroyed, sold or disposed of as the harbor commission shall determine unless the fees have been paid in full. Such notice shall go to such owner, master or agent and (for documented vessels) to any holder of a recorded mortgage on the boat at such an address as is shown on the last registration statement for the boat.
- C. Any boat so impounded or removed shall, after the expiration of the period stated in the notice delivered to the owner, master, or agent, be destroyed, sold or disposed of as the harbor commission shall determine unless sooner repaired so as to no longer be a nuisance or unless the fees have then been paid in full. In the event of a disposition by sale of the boat, a notice of sale shall be mailed to the owner, master, or agent of the boat and then posted in three public places for a period of ten days prior to the date of sale and shall be signed and posted by the city clerk. Said notice shall state the identification of the boat; that it is being sold after having been declared a nuisance under the provisions of this title; and that all of the rights, title, and interest of the owners and lien holders of said boat will be sold to the highest and best bidder for cash at public auction at such time and

place as stated in the notice. The proceeds from the sale shall be applied first to the cost of conducting the sale, impounding and removal of the boat, and the payment of all fees assessed and payable by said boat, its owner, master, and agent under this title. The balance shall be held in trust for the owner to claim, and if not claimed within two years, the balance shall be deposited in the general fund of the city. (Ord. 90-28 § 4(part), 1990; Ord. 89-30 § 5 (part), 1989)

18.40.040 IMPOUNDMENT-FINAL DISPOSITION OF SOLD AND UNSOLD VESSELS.

Upon the sale being made, the city shall make and deliver its bill of sale, without warranty, conveying the vessel to the buyer according to law. If, at the public sale, there are no bidders for the vessel, the city may destroy, sell at private sale, or otherwise dispose of said vessel, such disposition to be made without liability to the owner, master, agent or creditors of the vessel. (Ord. 89-30 § 5(part), 1989)

18.40.050 OTHER PROPERTY BECOMING A NUISANCE.

- A. All engines, machinery, equipment, lines, hoses, skiffs, nets, gear, animals or other personal property left upon the dock, approach, floats or other facilities of the Thorne Bay Boat Harbor for a period of more than forty-eight hours, impeding daily harbor operations without being removed there from by the owner or person in possession thereof may be declared to be a nuisance by the harbormaster and impounded, removed, or sold in the discretion of the harbor commission in the manner provided for the removal, impoundment, sale, or other disposition of boats which are declared a nuisance.
- B. Written notice and opportunity for a hearing before the harbor commission shall be provided to the property owner (if the identity of the property owner is known to, or can reasonably be ascertained by, the harbor commission) in the same manner as notice and opportunity for a hearing provided to boat owners under Sections 18.40.010 and 18.40.020. In cases where the owner has left no record of such property with the harbormaster, and harbor commission makes reasonable efforts to determine ownership but is unable to do so, then such property shall be held by the

harbormaster for a period of fifteen days prior to its destruction or sale, during which period the harbormaster shall post prominent notices upon the personal property itself and upon a place designated by the harbormaster for the routine posting of notices at the harbor. Such notice shall be in a form reasonably calculated to notify the property owner of the date by which the property will be destroyed or sold unless the owner redeems it and notify the owner of his right to a hearing before harbor commission by a date stated in the notice, such date to be no earlier than seven days after the initial posting of the notice. (Ord. 18-09-18-03 § 4(part), Ord. 90-28 § B(part), Prior 1990: Ord. 89-30 § 5(part), 1989)
